-

Maths

This half term we will be:

Learning about measures in capacity, weight and volume.

Developing our knowledge of the four operations: addition, subtraction, multiplication and division.

You could help your child at home by:

Measuring and comparing capacity of different sized containers.

Comparing the weight of different objects

Learning number bonds to five, ten and twenty.

English

This half term we will be:

Writing a character fact file

Writing a set of instructions

You could help your child at home by:

Reading daily to help build up a bank of language.

Practice sounding out words for spelling.

Encourage your child to use the Oxford Reading Tree website to listen to stories

Researching a range famous people

Science

This half term we will:

Learning about the different parts of the human body and our senses

You could help your child at home by:

Talking about the different senses we have and how they help us

Watch programmes about the senses, such as BBC Bitesize

Identifying and naming the different parts of the body

Art and Design

This half term we will:

Use a paint package to create an image

Use paint and other materials to create a landscape collage

Mix primary colours to create and use secondary colours

You could help your child at home by:

Visit art galleries around Bradford and discuss the art work.

Practise colour mixing with your child

Research the work of Sue Wilde

Geography

This half term we will:

Research countries in Great Britain

You could help your child at home by:

Looking at the countries of Britain on a map

Naming the four countries and their capitals

Researching the country we live in and our capital.

Discussing famous landmarks.

Identifying the difference between urban and rural parts of the countries

P.E

This half term we will:

Learning about and participating in competitive games

You could help your child at home by:

Using outdoor space and parks to focus on movements such as:

Running, skipping, jogging, and jumping etc.

Attending the park and think about different ways to move around.

Practising throwing and catching
