We Learn to Succeed

Dear Parent/Carer,

IMPORTANT – SCHOOL CLOSURE – PLEASE READ

Further to the communication we sent out on Tuesday, you will now all be aware that the Government has announced that all schools will close from Friday, 20th March. This is to support the national effort to manage the spread of the coronavirus.

Our school will be closed to all pupils from Monday until further notice.

The Local Authority has advised us today that they are implementing local civil contingency responsibilities in order to ensure childcare is available for children classified as 'vulnerable' and those whose parents are key workers (we are currently awaiting a definition of who key workers are). Once we have an update on what this provision will look like, we will be in touch. The Local Authority will also be implementing provision for children in receipt of free school meals.

For families who are not classified as key workers, the period of closure is unknown but it is likely to be substantial.

Please ensure that your contact details are up to date and that you check the school website for further updates.

Yours Sincerely

S. Bahadur

Head of School
