

### Research project

Watch a weather report. Understand the keys used to describe the different types of weather. Keep a weather chart showing the weather for each day.

Horton Park Primary  
We Learn to Succeed

Year 1

Summer 1

Miss Parveen & Miss Naz

### Our Topic

*How does the weather affect where we live?*

***This half term we will be learning about:***

*The seasons and different types of weather*

*Things found in hot and cold places*

*Comparing the weather in the UK with the weather in Pakistan*

### Key Information

All pupils must come to school in full uniform and equipment which includes black shoes, PE kit, book bag, reading books and Home School diary every day.

Please note: 1B have PE every Wednesday

1A have PE every Thursday

### Homework

Your child will receive homework every Thursday which must be completed by the following Tuesday each week. Homework will include:

- Maths homework (On Mathletics or Seesaw)
- Spelling/High Frequency words homework - Please read and practise the spellings with your child every day
- Daily Reading (Including Oxford Reading Buddy)—Raving Readers Challenge and completion of Home School diaries

### Maths

**This half term we will :**

Reviewing counting up to 100

Comparing numbers

Partitioning numbers up to 100 and reviewing place value

**You could help your child at home by:**

Counting objects up to 20 and then build up to 100

Ask children how many tens and ones there are in a number

### English

**This half term we will :**

Creating our own recycling leaflet/fact file

Writing a diary entry

Writing a postcard

**You could help your child at home by:**

Reading daily to help build up a bank of language.

Supporting your child to practise sounding out words for spelling.

Encouraging your child to use the Oxford Reading Tree website to listen to stories

## Geography

### **This half term we will :**

Learn about seasons and types of weather.

### **You could help your child at home by:**

Providing opportunities to research the hot and cold countries around the world  
Supporting them with naming the seasons and understanding how the weather changes during the seasons  
Researching different types of weather around the world  
Encouraging them to watch weather reports

## PSHE

### **This half term we will :**

**Think about** what is fair & unfair, kind & unkind, what is right & wrong. Think about how our behaviour affects other people.

### **You could help your child at home by:**

Introducing them to coins and notes.  
Go to the shops with £1. What can they buy?

Horton Park Primary  
We Learn to Succeed

## Computing

### **This half term we will :**

Learning about data and how we can use pictograms to help us count data easily.

### **You could help your child at home by:**

Counting different objects and then grouping them into 2's  
Draw pictograms of similar objects you collect around the home  
Support their understanding of computers by logging into Purple Mash and completing the pictograms

## RE

### **This half term we will :**

**Look at different celebrations in Islam. And Christianity.**  
**Understand what gift giving is. Look at the importance of charities and supporting them.**

### **You could help your child at home by:**

Researching the work of a well known charity.  
Discuss with your child why this charity is needed.  
Discuss a time when gifts were given. How did it feel to give those gifts> Do you enjoy receiving gifts more than giving them?
