

Curriculum Development - Strategic Overview

Quality of Education

- Intent
- Implementation
- Impact

Intent

'Power of Reading' - Development across school (inc vocabulary). Assessment and monitoring review to evaluate impact of curriculum as well as progress of all children (inc SEND and Disadvantaged pupils).

Implementation

Teaching for depth, breadth and mastery of curriculum.
'Creativity, challenge and assessment (inc feedback)'.
Reading across the curriculum.

Impact

Strategies for what and how children know, understand and remember across the curriculum. How well children are prepared for their next phase in education.

Curriculum Themes

Year groups	Autumn	Spring	Summer
Reception	Diversity What makes me unique? What would life be like without colour?	Global Citizens How are environments different? What do living things do for us?	Take one Journey How does it get on our plate? Where could life take us?
