

## Research project

As part of our theme for the next half term we will be learning about famous people who have made a difference to our lives today.

Please support your child to research an inspirational person. Find out about what they achieved in their lives, why they are well known. Their educational and family background.

Children can present their work in the form of a poster or a fact file.

Horton Park Primary  
We Learn to Succeed

Year 1

Spring 2

Miss Parveen and Miss Naaz

## Our Topic

Who inspires us?

This half term we will be learning about:

- ⇒ Significant individuals from the past
- ⇒ What they are well-known for
- ⇒ How they have helped us
- ⇒ How they have influenced our lives

## Home Learning

Please continue to support your child to access learning on the following platforms:

Seesaw: As part of daily learning expectations children should be completing tasks assigned for them each day. This includes activities for Maths, Reading, Writing, Phonics and Topic.

Purple Mash: Activities assigned for children can be found in the 'To Do' section.

Oxford Reading Buddy: Children should aim to read at least three times a week.

Mathletics: Activities are assigned for the topics covered each week.

Please continue to use the following email address to contact the Year 1 team: year1@hortonparkacademy.co.uk

## Maths

**This half term we will be:**

Learning about Place Value including Addition, Subtraction, Reasoning and Problem Solving.

**You could help your child at home by:**

Counting objects around the house and adding or subtracting numbers to 20.

Using Mathletics to solve Addition and Subtraction problems

Record your sums on Purple Mash—2Publish

## English

**This half term we will be:**

Reading the story 'Look up'

We will be describing characters and places using adjectives

**You could help your child at home by:**

Reading daily to help build up a bank of language.

Practising sounding out words for spelling.

Encouraging your child to use the Oxford Reading Tree website to read stories

Researching a range famous people that have been to space.

## Science

### This half term we will:

Learning about the human body and looking at the different parts of the body.

### You could help your child at home by:

Using music to help learn, such as singing the heads and shoulders song

Drawing the human body or creating it using resources at home

Discussing what each part of the body is used for

## PSHE

### This half term we will:

Learning about how to take care of ourselves and build healthy relationships

### You could help your child at home by:

Discussing what they like and dislike

Identifying different ways to take care of their body

Modelling healthy eating and providing space for time out

## Computing

### This half term we will:

Learning how to use a paint package as well as adding text. We are also learning how to take photographs and record sound

### You could help your child at home by:

Navigating a package such as Oxford Reading Buddy or Mathletics.

Using Seesaw to draw pictures and type a text.

## RE

### This half term we will:

Learning about special people in different religions

### You could help your child at home by:

Discussing what it means to be special.

Identifying special people within the family and discussing why they are special.

Identifying special people within own religion and discussing why they are special.
