Dear Pupils of Horton Park Primary School,

Thank you for making me feel so welcome when I visited your school recently to reassess 'Investors in Pupils'. You were all extremely polite, friendly and very well behaved and are obviously extremely proud of the work you are doing to make your school an even better place for everyone. Thank you for helping to make the reassessment day go so smoothly.

I am very grateful to all the pupils who came to talk to me, for helping me to understand how your school works and in particular to Aahil in Year 6 who presented to me about your schools' new playground equipment. Everyone I met had a lot to tell me and you were all very clear and confident!

I was very pleased to find out about the many things that the staff do to help you. They work really hard to make your school such a wonderful place to be where everyone enjoys their learning.

You told me that:

- You work together to make your school a better place for everyone.
- You help and care for each other.
- Behaviour at your school is really good.
- You enjoy coming to school and you know that learning now will help you in the future.
- Your teachers make lessons interesting and fun and you get lots of opportunities to talk and work together which helps you with your learning.
- You know, and are very keen to achieve your targets.
- Your ideas are listened to and pupil voice means that your ideas can be promoted

Well done to all of you! I hope that you are going to have a big celebration now that you have once again achieved the 'Investors in Pupils' award.

I really enjoyed my visit to your school – keep up the good work!

Yours sincerely,
