Horton Park Primary  
We Learn to Succeed

Year 4

Autumn Term 1

Class Staff: Mr Iqbal and Miss Mansaf

### Creative Home Learning (Project)

- To create an information booklet or poster about the Anglo-Saxons.
- or
- To create a piece of armour, helmet or shield that could be used to defend against an invasion.

### Creative Curriculum

We are learning about life in Britain during the Anglo-Saxon times. We will:

- Know which period in history is labelled the Anglo-Saxon era.
- Know the Angles, Saxons and Jutes invaded Britain.
- Look at how life was different to now during Anglo-Saxon times.

### Our Investors in Pupil's Class Targets

To show mutual respect towards others by actively listening, being attentive and taking turns whenever somebody is speaking.

### Maths

**This half term we will be:**

- Learning to tell the time
- Exploring place value
- Using the column method to add and subtract three digit numbers

**You could help your child at home by:**

- Practicing times tables regularly using TT rockstars
- Regularly asking your child what time it is

### English

This half term we will be focusing on the book Arthur and the Golden Rope as our Power of reading text.

**We will cover:**

- Using the full range of punctuation taught in KS1 and so far in KS2.
- Using expanded noun phrases and co-ordinating conjunctions.

**You could help your child at home by:**

- Reading daily with your child to expand their vocabulary and encourage imagination and creativity in their writing

**Maestro companion project 2 Science—The Digestive System**

**This half term we will:**

- Know the function of the digestive system.
- Know the names of the organs in the digestive system.
- Understand the purpose of the digestive system.
- Know the purpose of the different types of teeth.

**Maestro companion project 3—Art—complementary and contrasting colours.**

**This half term we will:**

- Recap how to mix primary and secondary colours.
- Know how to make different shades of colours.
- Understand the difference between warm and cold colours.

**Maestro companion project 4—Design Technology—Fresh food, good food.**

**This half term we will:**
