

Dear Parents and Carers,

The children have returned after the half term and have settled back in very well. The learning behaviours and attitudes of the children have been very positive and the amazing project homework which has been produced with you at home has been fantastic to see. Thank you so much for supporting your child with their learning at home and for all your effort in producing outstanding pieces of work.

Thank you for all your support in ensuring that the children are punctual and attending school every day. We have seen an improvement since September and look forward to making this even better as the year goes on.

Please Note: School gates open at 8:30am and children need to be in school by 8.40am. If you arrive after this time, you will be asked to go to the Office and sign your child in and explain why they are late.

Appointments

If your child has an appointment please can you support the school by informing us in advance so we can ensure that your child is ready to be collected on time for the appointment. If it is an emergency appointment on the day, please call the Office on 01274 574544 and let us know you will be coming into school to collect your child. All other appointments please make sure you are bringing the letters / texts as evidence of the appointments.

Car Park

Access to the car park is only allowed for families who require access to the site due to additional needs of their child. Please do not enter the car park if you have not been authorised to do so.

Toast / Milk / After School Clubs

Toast: We have had a few queries and questions about missed deadlines for toast. Please make sure if you wish for your child to have toast for the following half term a payment will need to be made via Parent Pay for £5 for the half term. You will be sent a message a few weeks before the deadline to remind you of the upcoming deadline.

Milk: All children who are entitled to free school meals will be provided with milk every day. However, if your child is not entitled to free milk, you can pay for this by registering with the provider and the details for this can be found on www.coolmilk.com or call on 0800 3213248. If you require any support help with this, please come to the Office and somebody will be available to help you with this.

After School Clubs: As a school we are very fortunate to be able to offer a range of fun and exciting after school clubs every half term. Please note that clubs will not take place on the final week of each half term as this provides time for new clubs to be planned for and to ensure that all health and safety risk assessments are in place before they can start.
