

Experience

Children will be invited to stay at school until late. They will experience team building skills by playing games, building tents and making a group meal. Date to be confirmed

We will also highlight Road Safety Week with some workshops around keeping safe outside.

Horton Park Primary
We Learn to Succeed

Year 3

Autumn 2

Mr Azad and Mrs Gibson

Creative Home Learning/ Project Homework

- Create your own cave paintings
- Make your own flint from soap
- Create a collage of a prehistoric Bronze Age scene
- Create a poster with information about the Bronze or Iron Age

Creative Curriculum-Driver Project

This half term we will be stepping into The Bronze Age! We will uncover the uses of bronze and how this changed the way people lived, farmed, fought, traded and dressed. We will look closely at the ways in which human invention changed how people lived.

Towards the end of the half term, we will learn about life in The Iron Age and find out what led to the end of it.

Our Investors in Pupil's Class Targets

A

To share what we are learning about to another adult using a clear voice

B

To sit down and be ready to learn as quickly as possible

Maths

This half term, we will be learning Multiplication and Division.

We will:

- ⇒ Make and read arrays
- ⇒ Use our 2, 3 and 5 times tables
- ⇒ Make and recognise equal groups
- ⇒ Problem solve using multiplication and division

English

This half term, we will be reading Ug: Boy Genius of the Stone Age.

Using the text, we will:

- ⇒ Write sentences using conjunctions (but, and, so, or, because, etc)
- ⇒ Write a diary entry
- ⇒ Write instructions

Maestro companion project 1

Science: Animal Nutrition and the Skeletal System

This half term we will:

Continue our learning about the role of the skeleton and identifying animals with different types of skeletons.

We will devise our own scientific questions and set up investigations to answer them.

Maestro companion project 2

Art: Prehistoric Pots

This half term we will:

We will learn about Bell Beaker pottery. It will allow us to explore different clay techniques, which we will use to make and decorate a Bell Beaker-style pot.

Maestro companion project 3

DT: Cook Well, Eatwell

This half term we will:

Learn more about food groups and the Eatwell guide. We will learn about methods of cooking and explore these by cooking potatoes and ratatouille. We will choose and make a taco filling according to specific design criteria.

RE:

This half term we will: be learning about Judaism.

We are learning:

- ⇒ Why the Torah is important
- ⇒ How the Jews show respect to it
- ⇒ Features of a Synagogue
