

Dear Parents and Carers,

Thank you once again for your continued support and dedication in ensuring that your children are in school and ready to learn. We are so extremely proud of all our pupils, especially our pupils who have completed their SATs tests in Year 6 and optional tests in Year 2. Currently, the pupils in Y1 are completing the Phonics tests and also the Multiplication tests in Year 4. The summer term is always a busy time and we have many exciting events planned to take place and would love you to be part of these.

School Streets – Road Closure Update

A School Street involves restricting vehicle access on specific streets during term time, particularly at the beginning and end of the school day.

We started discussions with the Local Authority in October 2023 about the safety of our pupils when coming to and leaving the school and found out more about the School Street initiative. This then went to consultation with families and locals in March 2024 and the legal order went into force from 22nd April 2024. We also organised coffee mornings in school to hear your views on this initiative.

You will have seen that this has now been implemented by the school since Monday 10th June 2024 and will be continuing. The feedback from the families has been extremely positive and they appreciate the difference it has made to the area outside school.

We need to continue to work together and make sure this runs as smoothly as possible, as the reason for this is the safety of all our pupils.

Thank you for all your support!

We are pleased to announce that this year the Summer Fayre will be returning.

This will take place on:

Saturday 13th July 2024 12pm – 3pm

Everybody is welcome! We very much look forward to seeing you all there and making it a Horton Park Summer Fayre to remember!

More information will follow.

If you would like a stall, please contact the office on 01274 574544 and this can be arranged.
