Creative Curriculum—Driver Project

We are continuing our topic, Magnificent Monarchs. We will learn more about more monarchs and talk about why they are significant.

Henry VII, Elizabeth I, Elizabeth II and Queen Victoria

We will be inviting parents to a gallery opening day to showcase our drawings. You will even have the opportunity to have your portrait done by our own royal artists!

Our Investors in Pupil's Class Targets

A:

To wait our turn to speak and listen carefully to others who are speaking or sharing

B:

To continue to keep to our class timetable by completing work before the timer runs out.

Maths

In Maths, children will:

- Add and subtract two, two digit numbers
- Use written methods to help us (column method, partitioning)
- Know when to exchange one ten for ten ones

English

In English, children will:

- Write a diary entry from the viewpoint of our character
- Include apostrophes in our writing
- Write a set of instructions for a game.

Maestro companion project 1

Science

This half term we will:

Continue to learn more about growth in animals. We will find out about different life cycles of familiar animals. Our learning will focus on the weather and how seasonal changes affect habitats.

Music

This half term we will:

Consolidate our learning so far this year. We will revisit songs and musical activities. We will perform all of the songs we have learnt to sing and play.

Children will have a go at composing their own pieces and following the pieces of others.

Maestro companion project 3

DT

This half term we will:

Learn about fabric home products and the significant British brand Cath Kidston. We will learn about sewing patterns and using a running stitch and embellishments before making a sewn bag tag.

PSHE

This half term we will:

Find out about the uses of medicines and know how to keep ourselves and others safe around them. Together, we will look at instructions and labels on medicines.

We will also have a special lesson with a visitor to talk about asthma.
