

Experiences

Hollywood Bowl Bradford

Horton Park Primary
We Learn to Succeed

Year 6

Summer 2 - Mr Farooq and
Mr Rehman

Creative Home Learning/ Project Home- work

- Create an art piece using abstract art that has a key message
- Create a poem on the effects of the war

Creative Curriculum - Britain at War

Britain is at war. Learn about the first and second world wars; causes; warring nations; weaponry, warfare and technology; key events and battles; impact on citizens and everyday life; significant leaders; the end of the war; how the war effected Bradford; remembrance; and post-war Britain.

Our Investors in Pupil's Class Targets

A

To transition efficiently during the school day.

B

Concentrate on our learning and communicate effectively.

Maths

- Using and applying skills in different contexts
- Complete real life scenarios involving Maths
- Focus on Geometry
- Focus on Measurement
- Real life money problems involving (addition, subtractions, multiplication, division and fractions)

English - Boy 87

- Draw inferences; make predictions about what might happen from details stated and implied.
- Identify the audience for and purpose of the writing, selecting the appropriate form and using other similar writing as models for my own.
- Identify and use a range of cohesive devices to link across paragraphs.
- Features of a diary entry.

History – WWII

This half term we will:

- Gain and deploy a historically grounded understanding of abstract terms such as 'empire', 'civilisation', 'parliament' and 'peasantry'
- Study an aspect or theme in British history that extends pupils' chronological knowledge beyond 1066.
- Articulate the significance of a historical person, event, discovery or invention in British history.

Science – Evolution and Inheritance

This half term we will:

- This project teaches children how living things on Earth have changed over time
- We will analyse how fossils provide evidence for this.
- We will learn how characteristics are passed from parents to their offspring
- Learn how variation in offspring can affect their survival, with changes (adaptations) possibly leading to the evolution of a species

Art – Bees, Beetles and Butterflies

This half term we will:

- This project teaches children about sketchbooks, observational drawing, mixed media collage and Pop Art.
- They will consolidate their learning to make a final piece of artwork inspired by bees, beetles or butterflies.
- Children will compare different artists work and identify similarities and differences

PSHE – Keeping safe and managing risk:

This half term we will:

- This project teaches children a range of ways to keep safe
- This includes keeping safe in our everyday lives such as road crossing
- Children will identify the differences between risk and hazards
- Children will be able to explain how to stay safe to an audience
