

Experiences

We will be carrying out a small archaeological dig in our classrooms.

We will have a visit from a chef to understand how to make healthy food to link with our Science and DT work.

Horton Park Primary
We Learn to Succeed

Year 3

Autumn 1

Class Staff: Mrs Kamal and

Miss Simpkins

Creative Home Learning (Project)

Children will pretend to be a person from Stone Age who will create an information leaflet for a person in the twentieth century telling them how people in the Stone Age lived. This can be in the form of a letter or a poster.

Creative Curriculum – Through the Ages

Our Driver Project this term is “Through The Ages”. In this project children in Year 3 will learn about British prehistory from the Stone Age to the Iron Age, including changes to people and lifestyle caused by ingenuity, invention and technological advancement.

Maths

This half term we will be:

- ⇒ Finding out about digits and their place value
- ⇒ Using less than & greater than symbols < >
- ⇒ Telling the time in 5 and 10 minute intervals

You could help your child at home by:

- ⇒ Giving them a number to write in numerals
- ⇒ Talking about different times of the day
- ⇒ Refer to the clock in your house, taking about the current time.

English

This half term we will be:

- ⇒ Writing character descriptions about a gorilla
- ⇒ Using expanded noun phrases
- ⇒ Using adjectives and similes to describe

You could help your child at home by:

Using adjectives to describe things when at home or outside.

Maestro Companion Project 1 – Science – Animal Nutrition and Skeletal System

This half term we will:

Learn about the importance of nutrition for humans and other animals. We will learn about the role of a skeleton and muscles and identify animals with different types of skeletons.

Maestro Companion Project 2 – Art – Contrast and Complement

This half term we will:

Learn about colour theory by studying the colour wheel and colour mixing. This will include an exploration of tertiary colours, warm and cool colours, complementary colours and analogous colours, and how artists use colour in their artwork.

Maestro Companion Project 3 – Design Technolo- gy – Cook Well, Eat Well

This half term we will:

Learn about food groups and the Eatwell guide. We learn about methods of cooking and explore these by cooking potatoes and ratatouille. We will choose and make a taco filling according to specific design criteria.

PSHE

This half term we will:

Learn about Risks and tobacco education.

Pupils learn:

the definition of a drug and that drugs (including medicines) can be harmful to people

about the effects and risks of smoking tobacco and second-hand smoke

about the help available for people to remain smoke free or stop smoking

appreciate what being responsible means and name some of their responsibilities

give examples of a range of risky or dangerous situations

appreciate that doing something risky may lead to danger
