

Experience

We have a trip for our Religious Education work to a Mandir (Hindu Temple) in Bradford on Wednesday 20th November.

Horton Park Primary
We Learn to Succeed

Year 3

Autumn 2

Mrs Kamal and Miss Simpkins

Creative Home Learning/ Project Homework

- Create your own cave paintings
- Make your own flint from soap
- Create a collage of a prehistoric Bronze Age scene
- Create a poster with information about the Bronze or Iron Age

Creative Curriculum-Driver Project

This half term we will be stepping into The Bronze Age! We will uncover the uses of bronze and how this changed the way people lived, farmed, fought, traded and dressed. We will look closely at the ways in which human invention changed how people lived.

Towards the end of the half term, we will learn about life in The Iron Age and find out what led to the end of it.

Our Investors in Pupil's Class Targets

A

To share what we are learning about to another adult using a clear voice

B

To know when it is time to talk and time to listen.

Maths

This half term, we will be revising addition and subtraction and then learning about multiplication and division.

We will:

- ⇒ Make and read arrays
- ⇒ Use our 2, 3 and 5 times tables
- ⇒ Make and recognise equal groups
- ⇒ Problem solve using multiplication and division

English

This half term, we will be reading Stone Age Boy.. Using the text, we will:

- ⇒ Write sentences using conjunctions (but, and, so, or, etc)
- ⇒ Write a setting description
- ⇒ Write a story

Maestro companion project 1

Science: Animal Nutrition and the Skeletal System

This half term we will:

Continue our learning about the role of the skeleton and identifying animals with different types of skeletons.

We will devise our own scientific questions and set up investigations to answer them.

Maestro companion project 2

Art: Prehistoric Pots

This half term we will:

We will learn about Bell Beaker pottery. It will allow us to explore different clay techniques, which we will use to make and decorate a Bell Beaker-style pot.

Maestro companion project 3

Geography: One world, Our country

This half term we will:

- ⇒ Look at different European cities
- ⇒ Locate the United Kingdom on a map
- ⇒ Understand how the UK is divided into counties
- ⇒ Explore the climate and weather of the UK.

Music

This half term we will:

Continue developing our performance skills. We will start to play the glockspiels and learn some musical note names and notations.

We will:

- Know the style of songs studied.
- Share thoughts and feelings about the music.
- Confidently identify and move to the pulse in all music.
- Know the difference between pulse, rhythm and pitch
- Play parts on a tuned instruments from memory or notation.
