

## Experiences

Day trip to Nell Bank, Ilkley

Horton Park Primary  
We Learn to Succeed

## Forest Class (RP)

Spring 1

## Creative Home Learning

### Things to do at home:

- ⇒ Create a superhero costume or mask
- ⇒ Make a superhero headquarters out of junk materials

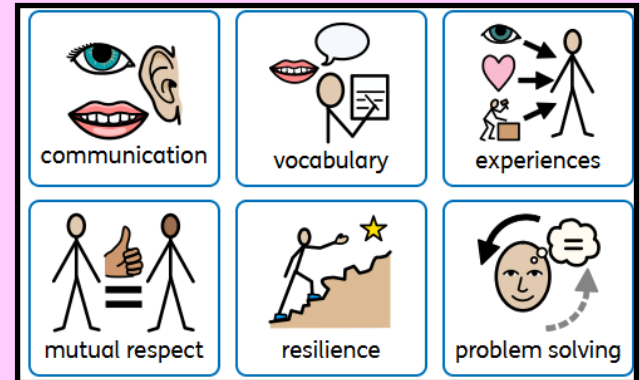

## Superheroes

This half term, we'll discover that superheroes comes in many forms—not just those in capes and masks but also real-life heroes like firefighters, doctors, post officers, doctors and people in our own families! We'll also take time to reflect on ourselves, celebrating what makes each of us unique and 'super'. Our provision time is full of exciting play-based learning opportunities to support our children develop a range of skills and knowledge. During our focused task times adults will work with the children on their numeracy and literacy skills within the theme.

Each child will complete personalised missions as part of our school driver challenge with a fancy dress awards ceremony to celebrate

**Key stories:** Supertato, Superworm and A Superhero Like You

## School Drivers

## Weekly Core Vocabulary

Each week, we focus on one aspect of core vocabulary.

Your child will:

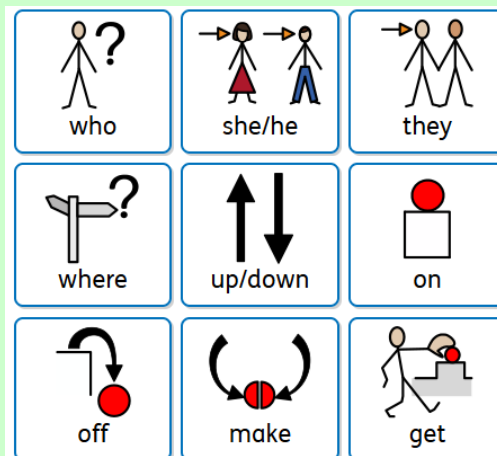

- \* Learn the Makaton sign for each word/phrase
- \* Watch videos and listen to stories around the word/phrase
- \* Have a go at writing the word or making the word with objects
- \* Use core language in provision areas with the support of the adults

You can help your child by:

Using the core vocabulary at home in every day sentences i.e. 'Where is....?'

'Who is..?'

'Let's make a... 'Get a...'

## Our Investors in Pupils

### Class Target

We will extend our phrases by one word or use a new Makaton sign in class.

Our reward will be a sing and sign tea party
